

Norwich InterFaith Link and Norfolk's Baha'i Community invite you to join them in marking

World Religion Day

Sunday 14th January 2018

4:00 to 6:00 pm

**The Friends Meeting House
Upper Goat Lane, Norwich**

The aim of World Religion Day is to bring people of all religions and faiths together, showing the common threads to our diverse traditions and how we can work together to create a better world.

All welcome! All ages! Contributions from your children's and junior youth groups very welcome!

This year's theme is "Music and Poetry"

There is still room in the programme if you would like to offer an item that both reflects and expresses your faith; please contact Bridget Macdonald or Chris Wood.

There will be a collection for a donation to the Norwich Society of Friends, who are kindly providing the venue free of charge. Contributions to a shared tea are welcomed.

If driving, please use the adjacent St. Giles multi-storey car park, rather than the small Meeting House car park.

Draft Programme

Icebreaker

Music and Poetry from world faiths

Collaborative Art

Tea
